MEMORANDUM FOR: Colonel T. A. Fuller, USAF
Joint Intelligence Group

With this let me acknowledge the warm appreciation of the Board of National Estimates for the accomplishment of your Step One Committee. We fully realize the extraordinary difficulty of bringing off a job such as this and its great value.

I personally regard this breaking of new ground as one of the most important advances that the community has made. Many thanks to you and a heartfelt "Well done" from us all.

SHERMAN KENT
Assistant Director
National Estimates
